

Finished Design Size: 15.5" x 15.5"

Working Instructions: From the top right corner of the fabric, measure 5" to the left and 5" down to begin the first satin stitch block, using size #5 (see arrow). Work all the satin stitch blocks and solid motifs using size #5. Use size #8 for twisted bars, cable, woven bars, webs and large outer webs.

Hemstitch border, leaving 18 fabric threads between the outside border and the pulled threads of the hemstitch. This design would also be nice as a framed piece.

Materials:
